There will be a day when Jehovah will bring these things to an end

Individual, Israel, World

## Ch 53

Only a few will hear and believe the Gospel

Not what is expected as a Messiah

He came from an unexpected place (dry ground)

His appearance did not draw you to him

He did not live a life of a King

He hid his face from us

He was smitten of God

Treated as a common criminal

Arrested, trial, whipped and crucified

He willingly offered Himself

Open not His mouth

Made His soul an offering for sin

He bore our griefs, sorrows, and iniquities

The reason for this happening was not His doing but ours

No Violence, deceit in His mouth

It is our sins that made this suffering and death needful

Like sheep gone astray

Transgression

Yet we despised Him, esteemed Him not, beat and killed Him
