Lesson 10  
Teacher: Mary Lynn

Text: Acts 15:36-18:22

#### Introduction/review

1. Our Spiritual Heritage (see explanation under intro/review, lesson1)

#### Lesson

2. Briefly review first journey-places and who went. I chose to concentrate on the conversion of the jailor in this lesson. I quickly told of the events, people, and places that led up to this scene (Acts 16:16-34). I used the ABEKA flashcards to tell the story and then we told the story again with role play starting with verse 25 of Acts 16. I put paper chains on their arms and when the scripture says the chains were loosed I had them break the chains. I had the child that was playing Paul at the time (we took turns being different people) and the child who was the jailor say the exact words as I told them from the scriptures.

#### Visual Aids/Songs

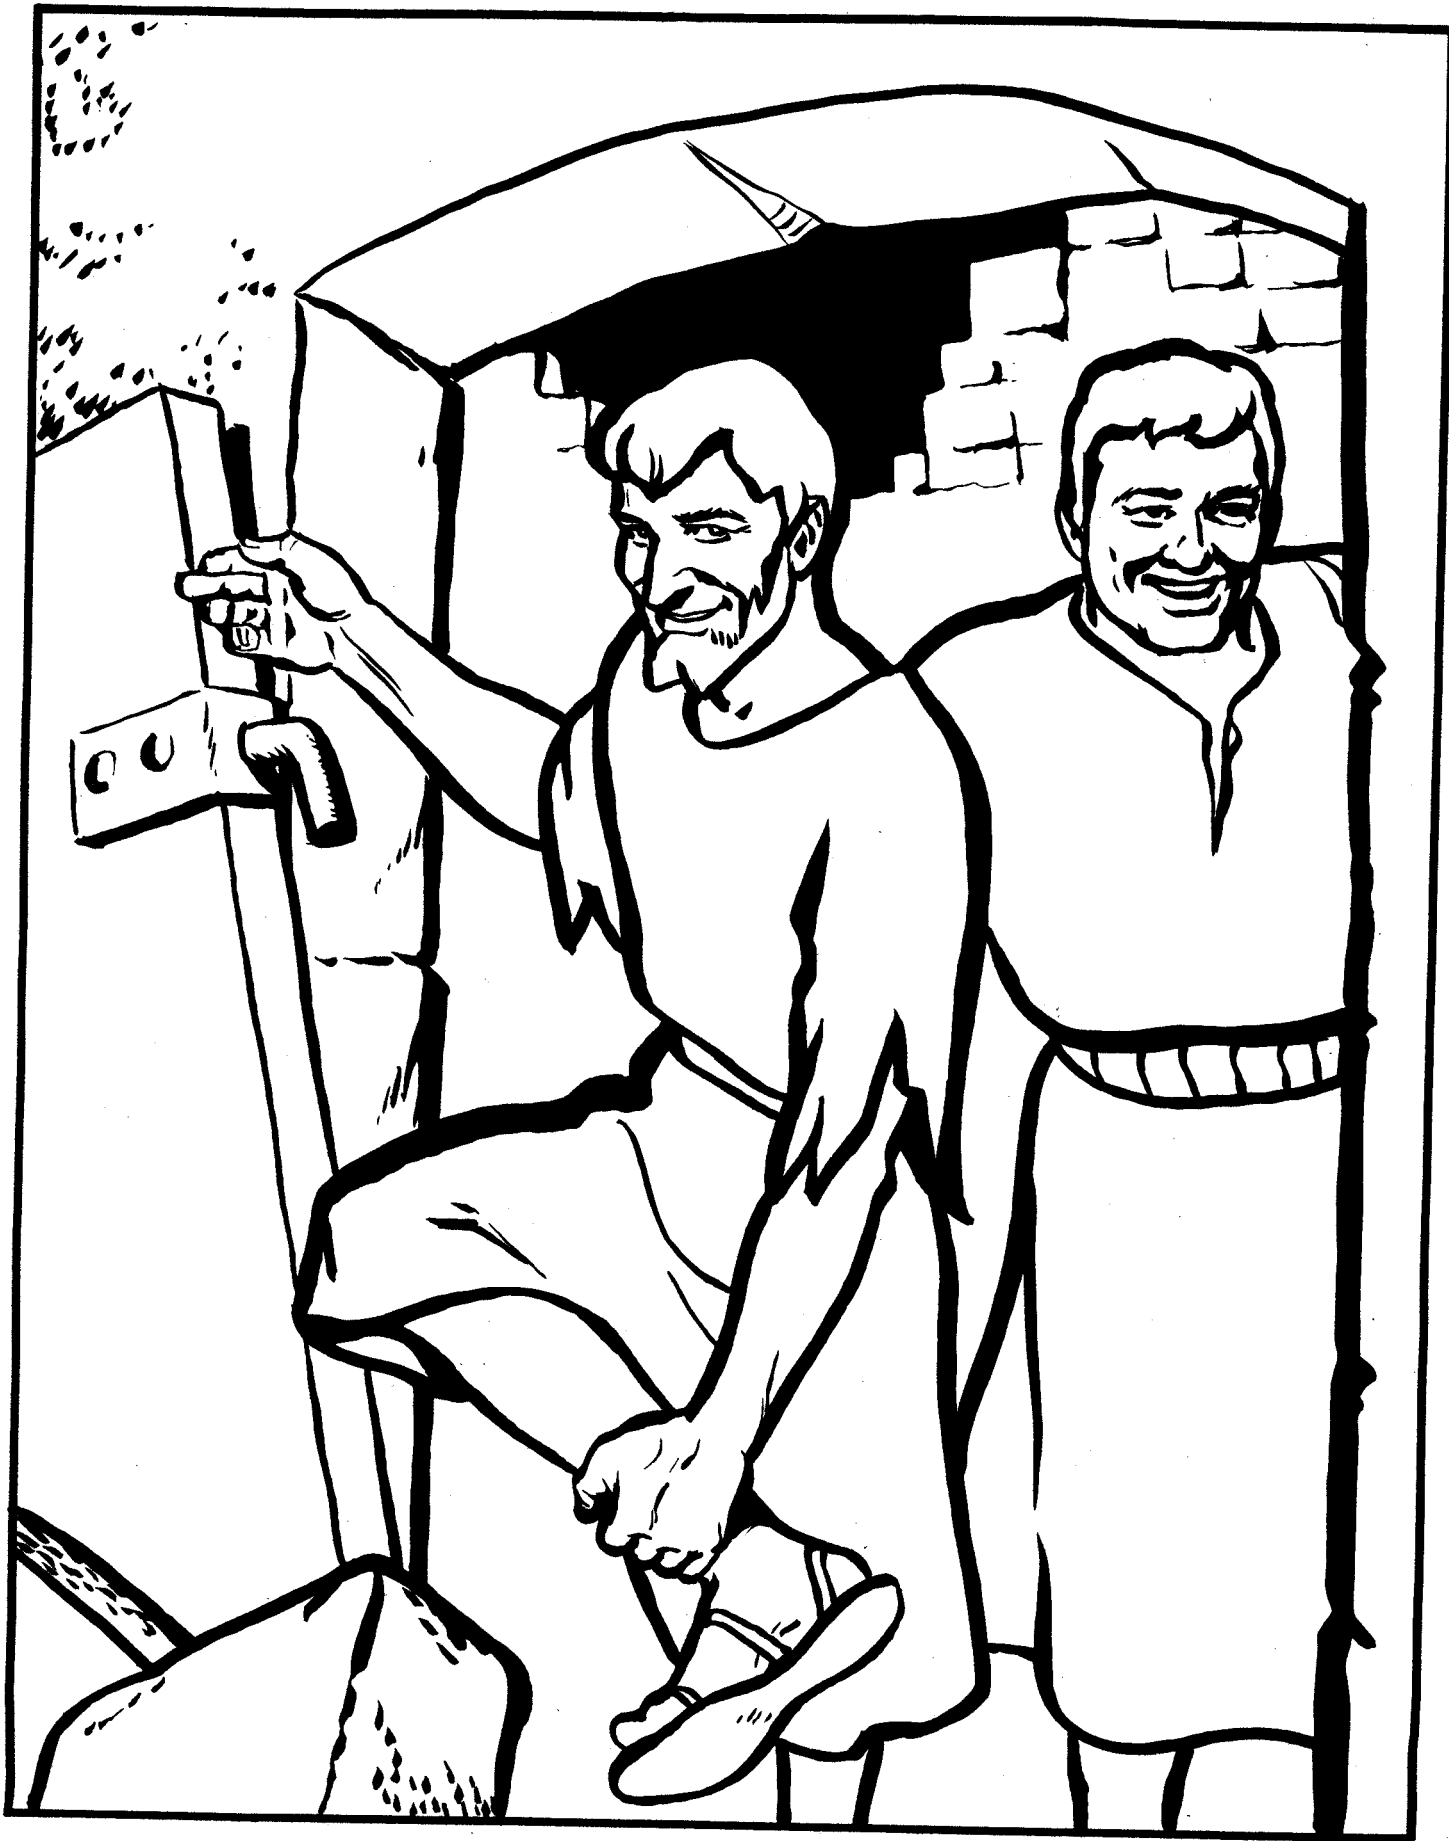

Song: This song is great and the kids love it! They Walked By Faith found in the Glenda Schaler, God Had A Plan songbook.

Included in this lesson is a straw with a paper taped on the top. If you hold the straw between your hands and rub your hands together rapidly, the picture looks as if the man's face is behind the bars. I made one of these for each of the children to take home.

We also made paper chains that they could slip on and off their wrists to take home.

90. Paul and Silas are happy, even when in prison. Acts 16:22-25

91. An earthquake shakes the prison doors open, the stocks and chains fall off, and Paul and Silas are free. Acts 16:26
