Resurrection

Concept development: Godhead – Fulfilling God's eternal plan

Words to define:

Body:

Joseph of Arimathaea takes the body of Jesus
Nicodemus helps him embalm the body
He begged [craved] Pilate for the body of Jesus
They were disciples of The Christ and did not agree with the counsel
They placed Jesus in a new tomb, cut out of solid rock, where no one had laid
The Pharisees ask Pilate to place guards at the tomb so that no one could take the body

On the first day of the week

There was a great earthquake and an angel descended from heaven and rolled the stone away
Mary Magdalene, Mary the mother of James, Salome, Joanna and other women came to the tomb
When they saw the stone was rolled away Mary Magdalene ran to tell the disciples
The other women stayed at the tomb and looked in and the angels told them that He had risen go tell
As they went the Lord appeared unto them and told them to tell the disciples
Peter and John run to the tomb to see what has happen
John gets there first but does not go in
He stoops and looks in and sees the linen clothes
Peter goes right in and beholds the linen cloths and the napkin laid neatly
John then enters the tomb and he believes
They both returned to their homes wondering what was happening
Mary of Magdalene had returned to the tomb with Peter and John
As she is weeping she sees 2 angels and then turns around and sees Jesus
The two men on the road
Jesus teaches them about the Old Testament prophies about Him
All of these that have seen Jesus were together tell the others but they did not believe them
Jesus appears in the room with them

The soldiers

When the angel came out of Heaven they became as dead men
When they were able they got up and ran to the Pharisees and told them all that had happened
The Pharisees took counsel and decided to pay the soldiers a large sum of money
They were to say that the body was stolen while they slept
If the Rulers caused them any problems they would take care of the matter
The soldiers took the money and told the story

*Close as order
as possible*
