Memory verse: Acts 19:20

Lesson # X-12

Grades 10-12

### Paul's Trial

Please read Acts 21-26

1. Compare and contrast the arrests, trials, and sentencing of Paul and Christ.

Accusers	Accusations	Legitimate Charges	Defenses	Final Decisions

2. Find all three accounts of Saul's conversion.

3. Acts 26:24-6 How did Paul know with such confidence that the king already knew about Jesus? What is the difference in the evidence for the things we believe in and the beginnings of the Mormon faith (hint: end of verse 26)?

4. Personal Evangelism Task # 4 Fill in the verses below, it will be helpful for you and when talking to friends about salvation. Remember that Acts is the book of Christianity in practice and it is the only place you can read about people actually being saved under the new covenant. The epistles are written to Christians so they assume the audience already knows how to be saved; for that reason they just address various aspects of salvation.
