

### Voyage to Rome

Please read Acts 27-28

1. What was Jesus' final command to His apostles? Did they fulfill it (verse?)?
2. Acts can be divided into 6 parts, each concluding with a short progress report on the spreading of the gospel. Please find and write the summary statements for each section.
  - 1 - 6:7
  - 6:8 - 9:31
  - 9:32 - 12:25
  - 13 - 16:5
  - 16:6 - 19:20
  - 19:21 - 28:31
3. Recall the theme of the book of Acts (1:8). Why do you suppose the book ends where it does (Paul in jail awaiting judgment in Rome)?
4. List 6 cities the book of Acts records and the major events that happened at each.

5. Write down a couple of names of people you would like to concentrate on sharing the gospel with in the next month.

6. What things were most beneficial this quarter? What would you suggest doing differently or spending more time on?

7. Have you put your full effort into the class, why or why not?
