

**Galations 1-6**

Peter was the apostle that concentrated his teaching to Jews  
(who made up most of the church in the early days)

Paul taught mostly Gentiles

(one of the problems in the early days was the Jews wanted to hold on to the old law that was given to the Jews and force it on the Gentile Christians)

Gal. 1:8,9

- Paul said that it was very important to not listen to or preach any other gospel that what came from Christ through the apostles
- Even if an angel or if 'we' change from what we first taught
- To be accursed is to be judged for punishment

Gal. 2:11-15

- Some of the Jews would not eat with the Gentile Christians because that had been a part of the old law of Moses
- We don't please God by following the works of the old law but by new law of Christ Jesus

Gal. 5:1

- Stand fast, don't be entangled back into the rules of the Old law
- The law of Christ is like the old law: Love your neighbor as yourself
- When we envy our neighbor and are jealous, or when we lose our temper, or act selfishly these are called the lusts of the flesh
- When we love everyone, are kind and act good, when someone is mean to us, these are called 'fruits of the Spirit'
- The lusts of the flesh keep us out of the kingdom of God
- The fruits of the Spirit get us to heaven

Visuals

Basket with plastic fruit with fruit of the Spirit written on them or labels affixed.

Draw an outline of body with twisted heart on marker board (have cards with lusts of the flesh with magnets) have kids place one at a time on board. It will help them to spell words for the body outline they will take home.

Worksheet

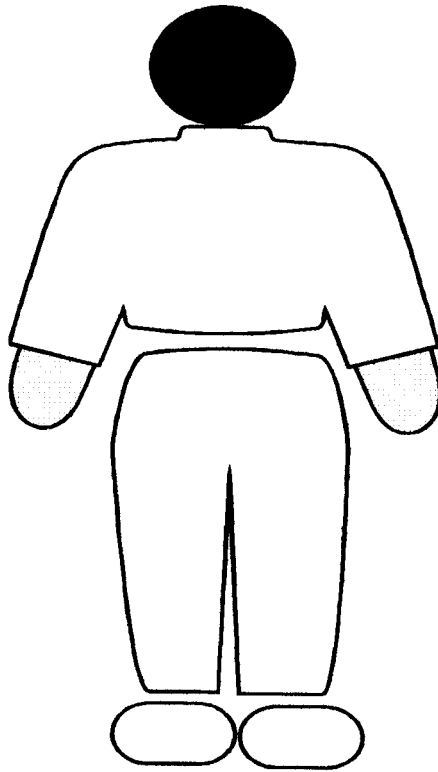

Works of the Flesh (have construction hearts cut out) – have them crumple hearts and glue on (the heart is perverted or twisted with works of the flesh) to the center of the body and then fill in blanks after the first letter of each work of the flesh.

Objectives

Name Paul as the apostle unto the Gentiles

Name peter as the apostle unto the Jews

Concept Development

Christianity – Knowing the gospel is for all

**Read:** Galations 1:6-10

- If an the apostles, or angels or another man preach something different than the gospel – we are **accursed** – *cut off from the rest of the church and Christ*
- If we don't preach the gospel of Christ, we are trying to please men instead of God.
- We show who we are servants under – God or man

Galations 2:4-6, 16, 7

- False brethren who tried to bring us into bondage of the old law
  - God shows no partiality to the Jews over the Gentiles
  - Paul was instructed to give the gospel to the Gentiles
  - Peter took the gospel to the Jews
- Galations 3:5-7, 11
- Live by faith like Abraham did
- Galations 5:1, 17, 19-20, 21-23
- God compares living by the Spirit instead of the flesh is like being free or a slave
  - Stand fast, do not go back to keeping the old laws that had to do with the flesh (rules about washing and eating and working)
  - The desires of the flesh can get us into trouble and work against what we know we should do

Worksheet

Give fruit stickers that have love, kindness, self-control, gentleness and peace written on them to place across from examples.

Choose which fruit will help you please Jesus.
