God Gives Israel Victory

Please Read Numbers 21:10-35 and Deut 2

The point is still how does this affect me?

1. Why was Israel supposed to leave Edom alone? Who were they descendants of?
2. Why were these people going to be afraid of Israel?
3. How were they supposed to deal with the Edomites? Why wasn't God going to give Israel any of their land?
4. *Page Turner:* The Lord instructed Moses not to harass Moab, why? What about Ammon? Please describe where these people came from, who their father was, and any other important information you can find.
5. Who else do we remember that came from Moab? What do we read of that person in the NT?
6. *Gear Turner:* Read 2 Pt 3:9-10. How might these verses apply to the Edomites, Moabites and Ammorites? What eventually happened to each?
7. What land was regarded as a land of the giants? Where else does the Bible speak of giants?

8. Why did the Lord harden Sihon's heart? Who else have we read about that God hardened?

9. List 3 changes in the lives of the Israelites after the events with the brass serpent. What group of people was dead now? How had the attitude changed?

10. Do we still depend on God's protection?
